## Jason Smith, M.D.

Dr. Jason Smith is a board Certified Dermatologist and Dermatological Surgeon. He has extensive training in the diagnosis and treatment of all problems of the skin, hair, and nails – both medically and surgically. Dr. Smith received his Doctor of Medicine degree from LSU School of Medicine in New Orleans, Louisiana in 1981. He then completed a one-year flexible internship at Lafayette Charity Hospital in Louisiana before entering LSU Tulane's three year residency program for Dermatologic Surgery at Charity Hospital in New Orleans in 1985 serving as chief resident.

### Jason Smith, M.D.

In addition to his residency, Dr. Smith completed advanced training in:

- ❖ Phototherapy - Columbia Presbyterian Hospital, New York, New York 1984
- ❖ Laser Surgery - Jewish Hospital, Cincinnati, Ohio 1985
- ❖ Advanced Botox Training - Vancouver 2003
- ❖ Advanced Restylane Training - Scottsdale, Arizona 2005

Dr. Smith is an active member of the following organizations:

- ❖ American Academy of Dermatology
- ❖ American Academy of Dermatologic Surgery
- ❖ American Society of Dermatologic Surgeons
- ❖ Georgia Society of Dermatologic Surgeons
- ❖ Atlanta Dermatology Society
- ❖ Louisiana Dermatology Society
- ❖ Southern Medical Association

Dr. Smith and his staff regularly attend accredited continuing medical education programs in an effort to provide you with the most up-to-date dermatologic care.

## Betsy Perry Thacker, M.D.

### Betsy Perry Thacker, M.D.

Dr. Perry Thacker is a Board Certified Dermatologist and Dermatological Surgeon. She graduated with distinction from the University of Virginia in Charlottesville, Virginia and received her medical doctorate from Mercer University School of Medicine in her hometown of Macon, Georgia. After finishing her internship in Internal Medicine at Erlanger Hospital in Chattanooga, Tennessee, Dr. Perry Thacker completed her dermatology residency at the University of Utah in Salt Lake City, where she also served as co-chief resident.

In addition to general dermatology and dermatopathology, Dr. Perry Thacker has particular interests in the diagnosis of melanoma and treatment of acne, psoriasis, medical dermatology, and cosmetic dermatology.

Dr. Perry Thacker is an active member of the following organizations:

- ❖ American Academy of Dermatology
- ❖ Women's Dermatological Society
- ❖ American Society of Dermatopathology
- ❖ American Medical Association

## Prescriptions

Requests for prescriptions and refills should be made during office hours so that your records can be reviewed. Some prescriptions require an evaluation before refilling.

Our office is a Medicare provider and participates in many insurance plans.
